

Mary Fisher  
"Whisper of AIDS"  
"One Of Top 100 Speeches Of The 20<sup>th</sup> Century!"

1. Fisher advocates through her sculptures, quilts, and textiles but, really, also through her \_\_\_\_\_.
2. Fisher has travelled around the world as a special representative for the \_\_\_\_\_.
3. Her speech "A Whisper of Aids" rocked not just the stunned on-lookers from within the hall, but also the millions who watched the \_\_\_\_\_ on television.
4. According to \_\_\_\_\_ all speakers must do three essential things to be effective.
5. ...Kairos, time. The Greeks used it not to mean chronology on a clock but to mean \_\_\_\_\_.
6. In 1983 the HIV virus was identified, and a screening \_\_\_\_\_ was developed.
7. The \_\_\_\_\_ implication was that if you had AIDS, it was because of various lifestyle choices.
8. \_\_\_\_\_ is the climate of the world; and \_\_\_\_\_, as usual, is the name of the game.
9. Political speeches are polarizing; they are \_\_\_\_\_ driven.
10. The name of his speech today is called \_\_\_\_\_ Wars."
11. "I have come tonight to bring \_\_\_\_\_ silence to an end."
12. The position of the \_\_\_\_\_ administration, for which she was speaking, was to depoliticize a highly politicized disease.
13. "The AIDS virus is not a \_\_\_\_\_ creature. It does not care whether you are a Democrat or a Republican."
14. Fisher builds a line of reasoning around one central metaphor... the metaphor will be the one of the \_\_\_\_\_.
15. Her central idea is that we are all \_\_\_\_\_; we are all one.

16. “We have killed each other with our ignorance, our prejudice, and our \_\_\_\_\_.  
We may take refuge in our stereotypes, but we cannot \_\_\_\_\_ there long.”
17. She is speaking directly to the stigmatizing nature surrounding the \_\_\_\_\_  
discourse of this disease.
18. Fisher is looking into the \_\_\_\_\_, and the future is not good for her  
personally, not for those who are already HIV positive, but also not for anyone who has  
blood and is human.
19. “We cannot love \_\_\_\_\_ and ignore prejudice.”
20. There is nothing more human than \_\_\_\_\_, and for many there is  
nothing more sacred. Her argument ultimately hinges on the idea that we are all only  
\_\_\_\_\_.
21. She wants to identify with all of the \_\_\_\_\_ and not make the conversation  
about how you got the disease.
22. Mary Fisher was the first female \_\_\_\_\_ man for the president.
23. In 1987, Fisher married a fellow \_\_\_\_\_ by the name of Brian Campbell.
24. He (Fisher’s husband) informed Fisher that he was HIV positive, and he contracted by  
sharing a \_\_\_\_\_ using drugs before they had ever met.
25. The demographic most vulnerable to AIDS are women and children living in poverty in  
\_\_\_\_\_.
26. Fisher expands her definition of \_\_\_\_\_ to invoke all people.
27. Fisher is directly appealing to the \_\_\_\_\_ of her audience.
28. “I want my children to know their mother was not a victim; she was a \_\_\_\_\_.”
29. HIV is not an immediate \_\_\_\_\_.
30. We don’t have a vaccine, and we don’t have a cure. We have \_\_\_\_\_.
